ORGANISATION

RACING DAYS

. ORGANISATION

1/ Charter Packs made available two days prior to the event and official racing days.

2/ Daily check-in and check-out of packs will occur at the Windsurfer Zone.

3/ On non-official racing days, packs are available for use in fun events with no check-in or check-out required.

4/ Sailors renting packs will be automatically registered for fun events.

5/ Dedicated Area

A designated Windsurfer zone will be provided on the beach.

. RACING DAYS

Check-In and Rigging

> All equipment must be checked in and rigged before the skipper meeting.

Starting Line

> The starting line will be between the committee boat and the beach.

Race Format

Racing

> The first race will consist of one lap to determine the average completion time for sailors.

> Subsequent races may include multiple laps, at the discretion of the race director.

Check-Out

> Equipment must be checked out by 17:00 at the latest after each racing day.

ALL RIDERS WHO

OWN A COMPLETE WINDSURFER LT SET
ARE WARMLY WELCOMED TO PARTICIPATE
